SUIT OF HAWAIIAN EXILES.

They Refuse to Answer Questions and a Ruling is Obtained.

VANCOUVER, B. C., May 29.—In the case of Cranston, Muller and Johnston, who allege illegal deportation from Hawaii, and who are suing the Canadian and Australian steamship line and indirectly the Hawaiian Government for forcibly carrying them from Honolulu to Vancouver, the three men refused to answer a question put to them by the lawyer for the defense.

The Chief Justice of British Columbia was appealed to and ruled that the examination must take place two days after the arrival of the steamer Warrimoo and any relevant question must be answered within forty-eight hours afterward. If legally possible, however, the prosecution will be deaf, dumb and blind until the trial proper takes place.

A Writ of Mandate Denied the Portland Smugglers.

PORTLAND, OR., May 27.—Following the conviction of ex-Collector of Customs James Lotan and Seid Back on a charge of conspiracy to illegally land Chinese, came a mandate from the United States Supreme Court denying a new trial to ex-Special Treasury Agent C. J. Mulkey and P. J. Bannon, convicted on the same charge.

Reed for President.

BOSTON, May 29.—A local paper to-day publishes the results of interviews with leading New England Republicans on the probable nominee to be supported by New England delegates in 1896.

The situation seems to show that Reed has a strong hold on the hearts of the New England delegation as a unit owing to the attitude of Rhode Island and Connecticut. The article does not indicate which is the stronger in New England, Harrison or McKinley.

Having used Chamberlain's Cough Remedy in my family and found it to be a first-class article, I take pleasure in recommending it to my friends. J. V. FOSTER, Westport, Cal. For sale by all dealers. Benson, Smith & Co., Agents for Hawaiian Islands.

IT HAS BEEN REMARKED by visitors that for variety of goods, quality and style, the shops of Honolulu compare favorably with those in the largest cities in the United States. These remarks are not strange to us because we are familiar with the needs of the people, we know that their tastes are the same as other people, though they are to a degree isolated from the rest of the world. But they are a reading people and they are apt scholars; they have the same amount of ability to copy the ideas of others or create new ones as the ladies of New York or Boston. To cater to the tastes of the different people here requires tact, ability and coin; in the selection of goods, both as to design, quality and price, all of the business qualifications of man are brought into play.

If we did not exercise it in our corner of the mercantile world how could we offer all shades of genuine woolen goods, not shoddy, but woolen at fifty cents a yard, when every other dealer in Honolulu sells the identical goods for seventy-five cents and a dollar. Nor do we confine ourselves to a single shade—we have them in endless variety.

The same may be said of our stock of all-wool flannels. Who ever heard of them going for less than fifty cents a yard. They bring that because they are worth it to any one who wants them, but we let them go to you at thirty-five cents a yard, or three yards for a dollar. You can't realize it but we can prove it to you as easy as we can show you the largest and handsomest collection of white goods of every description ever shown in Honolulu.

The goods are here and the wearing qualities are guaranteed; we are ashamed to mention the prices out of consideration of the feelings of our rivals; they're low enough of that you may be assured.

A drive in shoes interests every one—our stock includes all sorts and conditions for men, women and children, and to go with the shoes we have a wonderful collection of hosiery for ladies.
